**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do everything in your power to preserve competition. I work from home and I can't imagine being able to survive the price hikes that are inevitable if we loose net neutrality.

I rely on broadband to be able to communicate with my design clients share photos, bids and ideas in real time.

5 years ago I lived out in the Alexander Valley and I was less able to stay competitive because my service was soooooo slow. Don't send me back to the dark ages. I love and need my Sonic service.

Thank you for looking out for consumers.
